

Public Health Act (Northern Ireland) 1967

1967 CHAPTER 36

PART I

INFECTIOUS DISEASES

1 Notifiable diseases.

- (1) Subject to subsection (2), in this Part “notifiable disease” means a disease specified in Schedule 1.
- (2) The Ministry may by order amend Schedule 1 so as to—
 - (a) extend the application of the provisions of this Part which relate to notifiable diseases by adding, for the purpose of all or any of those provisions, any other infectious disease,
 - (b) restrict the application of all or any of those provisions by excluding, for all or any of the purposes thereof, any disease so specified.

Changes to legislation:

There are currently no known outstanding effects for the Public Health Act (Northern Ireland) 1967, Section 1.
