In the Chronological Table of the Private and Personal Acts
two symbols appear:

* an asterisk placed at the end of a title
indicates a Private Act passed after
1815 which was not printed by the Kings
printer (see also the introduction to the
Private Acts)

[] A chapter number within square
brackets (viz Private Acts from 1876-
1923) indicates that the chapter number
was not officially given and the number
in the brackets matches up with the
order in which the unprinted Private Acts
are listed in the Annual Volume of Acts
for that year.
